

About MHRA

The Michiana Human Resource Association (MHRA) is an organization of Human Resource professionals in the Elkhart County area and surrounding communities. Our mission is *“To promote and advance the profession of Human Resources in the Michiana area through various programs and activities”* and to provide networking opportunities for members. MHRA provides programs that are intended to inform and educate members about relevant HR and related issues. Members are encouraged to share ideas and assist one another in meeting the complex challenges in today’s workplace.

MHRA meets the second Wednesday of each month, with the exception of July and August. Meetings are currently held at the Matterhorn Restaurant in Elkhart, beginning at 11:30 a.m. Please contact an MHRA member for the most recent meeting announcement.

For membership consideration, applicants must function within an HR capacity. Guests in the Human Resource profession are welcome and may attend two meetings before applying for membership. To become a member, one must complete an application and be interviewed by the MHRA board. Application forms are available at the meetings or may be obtained from the Membership Director. Following the interview, the candidate is sent a letter indicating membership status. (Sales agents are discouraged from membership.)

Dues are \$35.00 per year, or \$17.50 if the applicant is accepted after July 1st. Cost for the monthly luncheon meetings is \$10.00 pre-registration, or \$15.00 at the door. Announcements are sent to the membership approximately two weeks prior to each meeting and include a reservation form that can be mailed with payment. In order to accommodate everyone and maintain current pricing, we strongly encourage members to pre-register.
